## HELPFUL RESOURCES

### Inclusion Support Program

The inclusion support program (ISP) provides support to mainstream Early Childhood Education and Care (ECEC) services so that they can build their capacity and capability to include children with additional needs. Find out more information below or by emailing

### Transitioning Into a New School Year...HELP!

Now is the perfect time to be considering the transition to school or between school years. To ensure you are prepared and your child is set up for success it may be worth reviewing the below link with regards to transition planning and support. We recommend you pass this along to your school and wider support team so that you can plan now to have a great start to next year.

### Ocean Heroes

Summer is almost here and Perth is a special place with lots of great beaches. If your child likes the ocean but you aren't confident taking them by yourself, consider taking them to the Ocean Heroes free events. Ocean Heroes are a WA based group that have provided surfing and ocean experiences to hundreds of children with Autism. Registration is free but typically fills up quickly. You can have a look at their website for updates on when they are holding events. We've worked with many families who have attended and their feedback is always inspiring.

## WHAT'S HAPPENING

It's been another great month and we are very thankful for your support and ongoing trust to care and provide therapy for your child. We have appreciated the feedback from families and want to keep encouraging you to share your thoughts on how we can continue to provide the best support for you.

### Holiday Closure Period

Holidays are fast approaching, and we wanted to let you know that we will be closed for a short period over Christmas and New Year. However, we are planning to provide support over the school holidays as needed by you. Your therapist will be in touch over the coming weeks to discuss your plans over the holidays and whether you'd like supports to continue over that period. We've included the table below, so you know when we are closed and back open: **OPEN** / **CLOSED** / **GROUPS** / **SCHOOL STARTS**

### School Holiday Groups

As previously discussed, we have planned and are in the process of finalising our Lego, Pokemon and Minecraft groups for the January holidays. These are interest-based groups with social skill outcomes embedded. Keep an eye out for our registration email in the coming weeks, it will have all relevant information you need.

## MEET TANYA

Hi, I'm Tanya, I'm the one at RKT behind the scenes doing all the boring paperwork stuff so JJ and Andy can do what they are good at. I have over 30 years admin experience with the last 10 years in the health sector. I've worked in disability, medical, allied health and child support services. I think I've found my niche as I love helping people and hearing about all the little achievements along the way.

When I'm not working I'm generally hanging out with my son (Christian) and my cute little dog (Rosie). We love to socialise with friends, go for walks and go to the park. My son and I also like to go see live shows whether it's theatre, wrestling, monster trucks or car racing! I think I have just as much fun as him! I work part time for RKT, so am not online every day, however if you email me I will always reply. I'm here to assist you and answer all your questions.
